Invention: PORTABLE GARMENT RACK
Attorney Docket No.: MOOB 8800US

Dear Commissioner:

Enclosed are the completed Form PTOL-85 (Part B – Fees Transmittal) and a check in the amount of \$1,000.00 in payment of the issue fee of \$700.00 and the publication fee of \$300.00 for the above U.S. Patent application.

Please note that the correspondence address for this application has been changed as noted on the Fee Transmittal form. However, please also note that in addition to this notification to the Patent Office, Form PTO/SB/82 (Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address) was also filed previously with the Patent Office on February 3, 2005. We have not yet received confirmation of the Patent Office's receipt of the Form PTO/SB/82.

It is requested that the Patent Office revise all records for the above serial number to reflect the new correspondence address and that confirmation of that change be sent to my office at the above address.

Very truly yours,

Douglas E. Warren
